

Elizabeth's Lullaby

for Elizabeth Faith Newell
and her family

Dennis Alexander
(b. 1947)

Keys to this piece:

Sing the melody as you play, remembering to breathe at the ends of phrases; imagine a grandmother singing to her granddaughter.

Keep the LH soft and flowing, lifting gracefully on the rests; slightly bring out the changing bass notes on the first beat in measures 5-7, 12-15 and 29-32.

Let your body flow gracefully to reflect the calm mood.

Andante amabile (♩ = 84-92)

graceful lift
and breathe
