
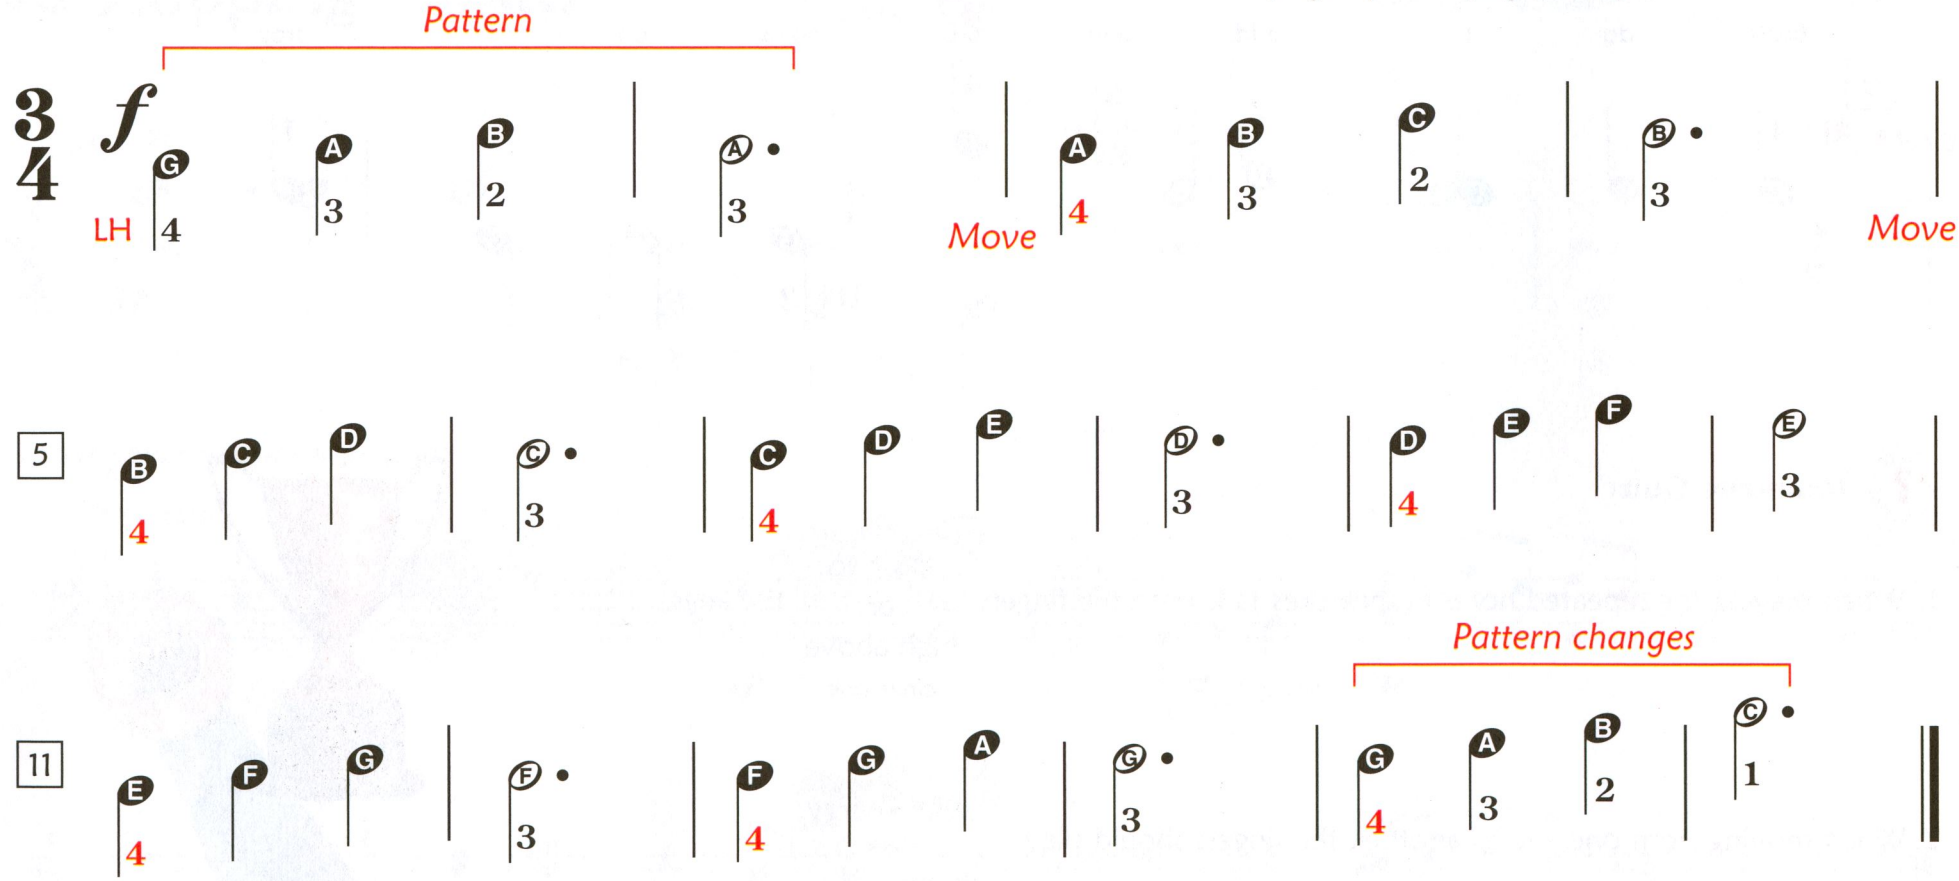
Patterns in Music

Often several notes or a rhythm in music will reappear later in the piece but begin on a different key. These notes form a *pattern*.

Up and Around

Technique Tip: Memorize the pattern in measures 1 and 2, then play "Up and Around" from memory until the pattern changes in measure 15. Use *strong fingertips* and *finger independence*.



Technique Quiz: How many times does the pattern shown in measures 1–2 appear in "Up and Around?" _____
