

Tips for Creating a Melody in D Minor

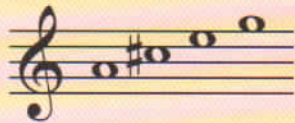

Use these notes often with the **i** chord:

Use these notes often with the **iv** chord:

Use these notes often with the **V7** chord:

Learning Link

The **Nickelodeon** was the first movie theater in the world to show motion pictures. It opened on June 19, 1905, in Pittsburgh, Pennsylvania. Named after the cost of admission (a nickel) and the Greek word for theater (odeon), its success led to the opening of thousands of theaters like it all across the United States.

Imagination Station

You are hired to write the musical theme for a movie called Mysterious Tango.

- Using the rhythm above the staff, create a RH melody with notes chosen from the D harmonic minor scale.
- Follow the chord symbols and the tips above to help you create your melody notes. The first and last notes are given.
- Write your favorite melody on the treble staff.
- Then play.

Moderately slow
