

# Coventry Carol

**Coventry Carol** is one of the oldest English carols that are still sung today. It was first performed during the Middle Ages and probably dates from the 15th century. The music itself is a gentle lullaby written in a minor key.

Traditional English Carol

**Moderately**

*p* Lul - lay, Thou lit - tle ti - ny Child, bye - bye, lul -

Duet: Student plays one octave higher.

**Moderately**
